

The Municipal Services Commission of the City of New Castle has developed an Electric Vehicle Charger Rebate Program to provide incentives for City of New Castle residents and businesses to install electric vehicle charging stations. MSC electric customers that purchase an AC Level 2 electric vehicle charger are eligible for a rebate as follows:

Residential Customers

Up to \$250 rebate for Level 2 charger
(Max of 50% installed cost)

Commercial Customers

Up to \$500 rebate per Level 2 charger
(Max of 50% installed cost)

Program will continue until funding (up to \$12,000) has been exhausted or until December 31, 2021

MSC OF THE CITY OF NEW CASTLE ELECTRIC VEHICLE CHARGER REBATE APPLICATION

Completed applications can be submitted to the MSC administrative office drop box outside 216 Chestnut Street, New Castle, DE 19720 or mailed to DEMEC c/o MSC Electric Vehicle Rebate Program at PO Box 310 Smyrna, DE 19977

Attach a copy of installation invoice (including Level 2 charger brand, model # and amount paid) please also include your MSC electric bill.

You must be a Municipal Services Commission electric customer to apply.
